8th EUROPEAN CONGRESS OF
VIROLOGY 2022

We are pleased to announce the 8th European Congress of Virology 2022 (ECV 2022) to be held in GDANSK, Poland, from 8 – 11 May, 2022.

The European Congress of Virology is the premier virology conference in Europe. Organized every three years, it covers all aspects of virus research and brings together both early-career and established scientists.
